## ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Alice, the three-year-old daughter of it was several days before the obstruction could be removed.

Miss Grace E. Moore, a nurse at the Rockingham hospital, was badly bruised shaft from the first floor of the hospital. She was talking to a visitor and stepped sideways into the open shaft, the elevator being at the floor above. She was confined to the hospital several days.

Mr. and Mrs. A. G. Fraser have resigned as superintendent and matron of he Warner Memorial home, of the Kurn Hattin homes at Westminster, the resignation to take effect Oct. 1. Mr. and work they have done at Kurn Hattin their life work and Mr. Fraser will take year's course at the New York School of Philanthropy in preparation for it.

Sidney Coleman, a West Guilford blacksmith, had a little experience with a kicking horse not long since which resulted rather disastrously for the man. Mr. Coleman was knocked over his tool box and as he had in his hand a rasp, it cut into his left arm, making a gash four inches long. A horse shoe nail was also driven half an inch into his other can resume work.

Irah Dudley Spaulding of Brattleboro, who in 1912 was the youngest licensed aviator in the United States, was mar-ried Sunday evening in Newfane to Miss Louise Cherrie, daughter of Professor and Mrs. G. K. Cherrie of the latter place Professor Cherrie was the naturalist with the Roosevelt expedition to South America. Mr. Spaulding gave up aviation after several accidents in 1912. He won his license at the Curtiss aviation field in San Diego, Cal., and made two flights N. Y., and other places.

of Harrison E. Smith of the United States entomological laboratory at West Springfield Mass., who is in charge of

the work of the suppression of grass-toppers in New England.

Mr. Smith has been in Brattleboro and other towns in this county within a few days in consultation with Arthur Sweeton of this town, agent of the Wind-Mr. and Mrs. H. N. Bellows of Bellows ham County Agricultural association, Falls, swallowed a five-cent piece a few with reference to the grasshopper situadays ago which stuck in her throat, and tion. He went to Jamaica, Townshend, Putney, Westminster and other towns at Mr. Sweeton's request.

He verified what Mr. Sweeton already had said about the seriousness of the situation and his wide experience along recently when she fell down the elevator that particular line enabled him to make J. W. HATCH, M.S., Principal, Mentpelier, Vt comparisons and to make some suggestions. While the worst infestations are in Jamaica and Townshend, the pest has gotten a strong foothold in the other towns mentioned, and radical measures must be taken.

Mr. Smith and Mr. Sweeton agreed that the great need in this county is co-operation. If a farmer takes steps to rid his fields of grasshoppers he has no assurance against clouds of them com-Mrs. Fraser intend to make the kind of ing to him from other fields where no preventive measures have been taken, whereas if all the farmers in an infested territory would co-operate they could eradicate the pest, and there is no question but that it can be effectually wiped

It is Mr. Smith's hope that next spring some co-operative plan may be worked out whereby the farmers will unite in protecting their crops and whereby some person of experience may come here and devote his time to the grasshopper suppression work, directing the efforts of the farmers. That could be done for a arm and it will be some time before he small per cent. of what the grasshoppers perience they will be ready to enter into some such arrangement, as the pest certainly will be here next season unless the winter conditions are especially favorable for their extermination.

# Vermont National Guard Notes.

Official orders from the office of Adjutant-General Lee S. Tillotson of St. Albans, make these announcements:

The rifle and pistol practice of the lst infantry will be conducted on the over Brattleboro, but afterward met with Fort Ethan Allen range in connection accidents at Athol, Mass., Glens Falls, with the annual camp, Aug. 2-11, 1915. The National defence trophy, the National Rifle association medal for 1915, the Brown trophy for pistol practice, and two hundred dollars in cash, are hereby made available as prizes to be awarded under such regulations as the regimental commander may prescribe, provided that the special conditions govsine die about noon yesterday after the erning the award of the national defence judges had held a mid-summer session trophy and the National Rifle associa-
